

Jehlum Post News| Jammu| Jan 13, 2015|In view of the prevalent harsh weather conditions in the State, Mr. N.N. Vohra, Governor, Tuesday directed the Power Development Department to ensure stable power supply to people. He has also directed the Department to work untiringly to mitigate the hardships in this regard. The department has also been asked to maintain a continuous vigil and take all necessary preventive steps to minimize faults and by attending to them promptly.
