

*January 9, 2015 | Bollywood couple, Katrina Kaif and Ranbir Kapoor have never publicly admitted to their relationship status. However, the rumoured lovers have been spotted together quite often on outings and night outs. They even moved in together in a suburban apartment recently. But, now the couple seems ready for the next step in their romance, reported Indian Express on Friday.*

*Report suggests that Ranbir Kapoor and Katrina Kaif got engaged in London on December 30, 2014. The beauty had taken off to London to spend the holidays with her family. A few days later, Ranbir was spotted at the airport along with a friend on his way to New York. But buzz is that the actor made a stopover at London for the engagement. His parents Neetu Singh and Rishi Kapoor also flew to London for the very private affair that was organized by Katrina's family. How much truth the reports hold, we'll have to wait to find out.IE*
